Sibling Discount

Sibling discounts are awarded when three or more children from the same family are at Stowe at the same time, to show the value we place on continuity for families. The fee concession given is: 10% to the first and second children, and 5% to the third, and this is maintained until the children leave.

Payment of Fees and Extras

The School only permits items that it considers to be essential to a pupil's education or personal welfare to be charged to the bill; most School extras are chargeable termly in arrears and are payable as part of the termly invoice.

Please see the School's Terms and Conditions for further information about the payment of Fees and Extras.

The School's Terms and School Extras are available on the parent portal and on the School website.
