14 APPENDIX ONE: A-LEVEL SUBJECT REQUIREMENTS.....	14

1 PREAMBLE

- 1.1 Kellett School is a British International Co-Educational Day School that admits students who through the stated admission priorities and procedures, demonstrate to Kellett School's satisfaction, that they have the ability to achieve and meet the objectives of the curriculum offered at Kellett School (the "**Curriculum Requirement**"). The curriculum is designed to prepare students for British IGCSE/GCSE and 'A' level examinations, in both written and spoken English at an academic and age-appropriate level. **See the EAL policy for further details.**
- 1.2 Kellett School is a multi-ethnic, community-oriented, not-for-profit school which educates students of a broad range of abilities.
- 1.3 Student progression through the School from Reception to Year 13 is subject to a student's continued positive engagement with the curriculum, good conduct, meeting key achievement goals, involvement in broader opportunities offered and all financial commitments being met in a timely manner. See the Progression Policy for further details.
- 1.4 The School, at the discretion of the Principal/CEO gives priority to those organisations and individuals who make a long-term commitment to Hong Kong.
- 1.5 "Parent" means a person who is a Father or Mother, or someone who is legally responsible for the responsibilities and duties of a parent, incl. Guardian, Caregiver/taker, and Custodian, etc.

2 GENERAL REQUIREMENTS FOR ALL APPLICANTS

- 2.1 It is a requirement that:
 - 2.1.1 Kellett School complies with the HK Government's requirement as an international school to maintain a minimum of 70% overseas (Non-HK) passport holders.
 - 2.1.2 In order to attend Kellett School, applicants must be residing in Hong Kong with a parent holding the appropriate immigration status permitting them lawfully to reside and study in Hong Kong. Kellett School as a day school facility does not usually act as a sponsor for non-resident Student Visas (the "**Right to Stay Requirement**").
 - 2.1.3 Applicants can demonstrate their ability to satisfy the Curriculum Requirement. In practice this means that entry to the school is subject to successful completion of various age-related assessments.
 - 2.1.4 Applicants are 'proficient' in English (as defined by the Common European Reference Framework for Languages) at an age-

appropriate level that enables them to meet the curriculum requirements at each Age Phase.

- 2.1.5 Parents of Applicants have sufficient proficiency in English to be able to support learning at home through the medium of English; and to be able to engage with the School fully in both written and spoken English.

3 STUDENT AGE AT ENTRY

- 3.1 Kellett School entry is guided by the UK academic year and entry dates as set out in the table below:

Kellett & UK Year group	Age as of 31 Aug
Year 13	17
Year 12	16
Year 11	15
Year 10	14
Year 9	13
Year 8	12
Year 7	11
Year 6	10
Year 5	9
Year 4	8
Year 3	7
Year 2	6
Year 1	5
Reception	4

4 PREPARATORY SCHOOL PLACEMENT CONSIDERATION

- 4.1 Students are usually placed in the appropriate age year. In exceptional circumstances and where it is agreed that such a placement is in a student's best interest, they may be placed in the year group below their chronological age. In accepting such a place parents should be aware that should a student leave Kellett prior to completion of their education, such a placement may adversely impact entry to future schools. There may also be implications in regard to qualification for competitive sports teams. Such an arrangement is at the discretion of the Principal. The School does not accelerate students into higher year groups based on ability.
- 4.2 Sibling applicants on the waiting list are required to join the same preparatory campus as the sibling/s currently enrolled in the school.

5 SENIOR SCHOOL PLACEMENT CONSIDERATION

- 5.1 Senior School students are placed in the school year that best continues their education to date. This decision is made by Kellett School.

6 WHOLE SCHOOL ENTRY PROCEDURES

- 6.1 All applications and supporting information are reviewed by the Admissions team in order to establish the applicant's ability to meet the Right to Stay Requirement and the Curriculum Requirement.

- 6.2 The following table sets out the general format of assessment:

YEAR GROUP	FORMAT OF ASSESSMENTS
Reception	• Review of the application form, supporting information, latest school report, if applicable; • Review of the Reception Information Form completed by the applicant's current kindergarten; • Review of English Language competency.
Years 1 – 3	• Review of the application form, supporting information, latest school report; • Review of the Y1-3 reference completed by the applicant's current school; • Review of English Language competency. • An evaluation of the child's ability in Phonics may be requested.
Years 4 - 6	• Review of the application form, supporting information and the past year of school reports. • Externally moderated online computer assessment • Independent writing tasks to assess level of written English • Review of the Y4-6 reference completed by the applicant's current school; • Assessment of (written and spoken) English Language competency; • Meeting the School Entry Criteria as determined by the Review of the application form, supporting information and latest school report; • Principal; • The candidate's ability and willingness to contribute to the wider (co-curricular) life of the school will be taken into consideration.

Years 7 - 10	• Review of the application form, supporting information and the past two years of school reports; • Externally moderated online computer assessment; • Internal subject assessment for option choices as required; • Writing assessment; • Review of the Senior School reference completed by the applicant's current school; • Meeting the School Entry Criteria as determined by the Principal. • The candidate's ability and willingness to contribute to the wider (co-curricular) life of the school will be taken into consideration.
Year 12	• Review of the application form and supporting information; • Externally moderated online computer assessment; • Internal subject assessment for option choices as required; • Writing assessment; • Review of latest school report & student's letter of application; • Interview with a member of the Kellett staff; • Review of the Senior School reference completed by the applicant's current school; • Meeting the School Entry Criteria as determined by the Principal. As guidance, for those coming out of the UK GCSE system the following criteria will apply: ○ Applicants must achieve at least FIVE A*-B = Grade 6 +) at GCSE including Mathematics and English; or equivalent' for those who enter from a non-UK curriculum ○ Please note that at least B grades (Grade 6+) are required for some subjects. Appendix One outlines details. • The candidate's ability and willingness to contribute to the wider (co-curricular) life of the school will be taken into consideration. • NB: Any subsequent offer is conditional on I/GCSE results and/or Kellett School internal subject assessments

6.3 In addition to the above, the parent of an applicant must provide to the School for review and consideration, any other information that is relevant to the applicant's ability to meet the Curriculum Requirement. This may include for example, any information relating to the applicant's ability to read and write English, their general academic level, and their learning

abilities, specific educational psychology, medical, speech therapy, occupational therapy, IEP counselling or other such reports.

- 6.4 As part of the assessment process an interview may be required with the applicant and his/her parent(s) to better understand the applicant's ability to meet the Curriculum Requirement. In determining whether the applicant can meet the Curriculum Requirement the School will, amongst other things, need to understand any specific needs of the applicant and what reasonable accommodation can be provided by the School. Please refer to section on Assistance for Students with Special and Specific Needs.
- 6.5 It is important that parents provide any supporting documents at the time of application and that the School is regularly updated with relevant information whilst their child is on the waiting list. Where updated school information is not received on request, the application will be withdrawn.
- 6.6 Parents are advised that to knowingly withhold relevant information (for example professional assessments and reports) and/or to knowingly mislead Kellett School in regard to their child's ability to satisfy the admissions requirements or curriculum requirements will lead to their child's place being withdrawn. Such behaviour prevents or delays the entry of a child for those parents who have been honest and transparent with Kellett School in regard to their child's needs.
- 6.7 The high demand for school places means that Kellett School is generally over-subscribed and as such, it is not always possible to accept all applications that satisfy the entry requirements. Consequently, admissions decisions will be made on the following factors:
 1. Debuture/Sibling Status.
 2. The formal evaluation of an applicant's ability to contribute to the academic, cultural and sporting life of the School.
 3. Priority will be given to international applicants who do not have ready access to the local school system, in accordance with our school lease agreement.
 4. The date of application will be a significant factor in determining admission.

7 APPLICATION PROCEDURE

- 7.1 Applications may be submitted from birth for Reception/Preparatory entry and two years in advance of entry for Senior School.
- 7.2 An EDB approved, non-refundable Application Fee is charged to all those applying to Kellett School. This fee is payable at the time of application and is levied to recover the costs incurred for the processing and administration of applications under the School's admission procedures. An additional assessment fee is charged for Year 5-12 entry.
- 7.3 The School considers applications once the online application (including photo, reports / any available supporting documentation and Application Fee) is received by the School
- 7.4 Receipt of application is acknowledged by email and the applicant's name is placed on the application list.
- 7.5 Those who are covered by a corporate debenture have priority over other applicants, other than siblings of existing pupils. The number of corporate debentures issued is limited to a ratio set by the Board in order to ensure places are available to applicants who do not have access to a Corporate Debenture.
- 7.6 Deferred entry is only possible in the following circumstances:
 - 7.6.1 The place offered is not on the preferred campus; as stated on the child's application form.
 - 7.6.2 Evidence is provided to demonstrate the family's relocation from overseas has been delayed.
- 7.7 Parents resident in Hong Kong who have been offered a place may not defer their child's entry until the following year. Where a deferred entry is sought the place must be declined and parents must re-apply for the later year of entry, paying the Application Fee.
- 7.8 School policy requires a period of at least twelve months between an initial assessment and a reassessment.

- 7.9 When a place becomes available, the School will make reasonable efforts to contact the parents at the contact numbers and emails provided.
- 7.10 Parents will be removed from the relevant list in the event that:
- a. Parents decline offers of assessment on two occasions.
 - b. Parents decline the offer of a place (once).
 - c. Parents are uncontactable (two unreturned emails **and** two unreturned phone calls).
- 7.11 Please note a place on the Admissions List is not a guarantee of entry to Kellett School.
- 7.12 Please note that an applicant's date of application may only be a factor in determining priority for entry to the school into the Reception year group.

8 ADMISSIONS PROCEDURE

- 8.1 When it becomes apparent that a place may become available an assessment will be offered in line with the general format of assessment set out previously. Following an applicant's assessment, the parent will be advised of the outcome.
- 8.2 When a place is offered, parents accept by paying a non-refundable Registration Fee equivalent to 10% of the annual school fee, and the appropriate debenture payment if applicable*. The Registration Fee will be credited against the fees for the child's first term at the School. Please note that a parent in receipt of a place offer is required to confirm the place within ten working days. Failure to do so may lead to the place being withdrawn. Please refer to Parent School Terms & Conditions for information on withdrawal after acceptance of a place.

*Refer to Priority Entrance Table – Appendix Three (section 16 below)

9 ASSISTANCE FOR STUDENTS WITH SPECIAL AND SPECIFIC NEEDS

- 9.1 At Kellett School, we are committed to fostering an inclusive and supportive learning environment where every student can thrive. We welcome applications from students of all abilities, including those with identified special or specific educational needs whether these are identified prior to admission or arise during the admissions process. All students joining Kellett School are expected to participate in regular classes alongside their peers, with appropriate support in place to help them access the curriculum and school life fully. Our Additional Support Team works closely with students, families and staff to provide in-school support that meets individual needs. We follow a '*The Team Around the Child Approach*', which ensures that

collaboration is at the heart of our support model. Where appropriate, we facilitate access to external specialists – such as Speech and Language Therapists, Occupational Therapists, Dyslexia Tutors, and other professionals. Such services, if required, are supplied by external therapists and any fees charged by these external providers are billed to parents at cost.

- 9.2 The assessment process may require an interview or further interview with the applicant and his/her parent. Should the applicant currently attend a place of education (kindergarten, nursery, school), a visit to see the applicant in that setting may be made by Kellett School staff, with the consent of the child's parent(s), in order to determine:
 - 9.2.1 Any specific or special needs of the applicant
 - 9.2.2 The applicant's ability to meet the Curriculum Requirement
 - 9.2.3 What reasonable accommodation can be provided by Kellett School
- 9.3 No additional assessment fee is levied to applicants who may be identified with specific or special needs.
- 9.4 In the event that additional support over and above that expected in a well-differentiated classroom setting is required to meet the Curriculum Requirement, an applicant with specific needs will only be admitted if the appropriate additional specialist support from the Kellett School Additional Support Needs Team and/or external specialists is available, and Kellett School determines that the needs can be reasonably met, and that this can be achieved without adversely affecting the needs of other students at the School.
- 9.5 In the event that Kellett School determines an applicant's additional needs may be met but the required additional provision is unavailable at the preferred entry point, an applicant may remain on the waiting list subject to admissions' priority status and until such time as both a place and provision is available.
- 9.6 Applicants are not usually admitted if their specific needs or conduct are such that they may adversely impact other students' access to and progress through the Kellett School curriculum; and/or following assessment an applicant's needs exceed those that can be reasonably met within the mainstream school setting at Kellett School.
- 9.7 Entry may be offered to applicants who receive additional specialised support outside Kellett School, provided this support enables them to access and succeed within the age-appropriate curriculum offered by the School. However, it should be understood that applicants whose needs require extensive support from the School beyond the regular classroom

setting - including where the level of support need exceeds the capacity or expertise of the Kellett School Additional Support Needs Team - may have difficulty gaining admission. Where such entry is agreed it is a pre-requisite that both the parents and any external support providers commit to working in close partnership with Kellett School and within the scope of the School's available resources and professional expertise, to ensure the student is appropriately supported.

- 9.8 From time to time, and when no further **additional** Kellett School resources are available to meet a student's specific needs, Kellett School may advise parents that a part-time or full time 'one-to-one' support assistant is advisable in order to permit Kellett School to continue to meet their child's needs. Should this be advised 90% of the cost of the assistant's salary is charged to the parent on a termly basis.
- 9.9 Over time, if it becomes evident that a student's needs are becoming increasingly complex and their support requirements can no longer be effectively met within the regular classroom setting – including when the Kellett School Additional Support Needs Team does not have the capacity to provide the necessary level of support – and, as a result, the student is not making expected progress or thriving in their current learning environment, Kellett School may recommend alternative educational provision. In such cases, the school will work collaboratively with parents (and, where appropriate, the student) to explore and identify a suitable alternative school placement that better aligns with the student's evolving needs.
- 9.10 Parents whose child has specific/special needs are encouraged to consult directly with Kellett School before applying for admission, to discuss the needs of their child and what reasonable accommodation can be provided by the School in respect of the arrangements for the application process and admission.
- 9.11 Admission decisions for applicants with specific or special needs are made by members of the academic team, The Additional Support Needs Team and, where appropriate, the Head of Student Wellbeing.

10 CAPITAL CONTRIBUTION

- 10.1 With limited exceptions it is necessary for each child enrolled in the School to be covered by either an Annual Capital Levy or Debenture. Details regarding the Annual Capital Levy and Debentures may be found on our website under Fees and Debenture Guidance.

11 SCHOLARSHIPS AND BURSARIES

Kellett School offers a number of Scholarships and Bursaries.

11.1 Scholarships

11.1.1 Academic Scholarships are available to existing students entering Year 7.

11.2 Bursaries

11.2.1 **Entrance Bursaries** Means-tested Bursaries are available to students whose parents/carers may not ordinarily afford to meet cost of a Kellett education (fees and 'extras') and have been selected for a place at Kellett; and

11.2.2 **Hardship Bursaries** are awarded to existing students where a sudden, unforeseen change in their parent's circumstances has resulted in significant difficulty in meeting tuition fees with the result that the student is likely to be withdrawn part way through a stage of education.

11.2.3 Please contact the Admissions Office for further details.

12 LEAVING KELLETT SCHOOL

12.1 Parents are required to give one term's notice of their child's departure by completing the Formal Notification of Withdrawal Form by the designated dates (1 Sept, 7 Jan, 23 March) available from the School's website or the Admissions Office. In the event that formal notice is not received in the manner prescribed by Kellett School, one term's fees are payable in lieu of notice.

13 SCHOOL TRANSFER SUPPORT

13.1 Policy on Entry to Hong Kong and Overseas Schools is available to Kellett parents in the School's Parental Engagement Portal.

13.2 In the event;

13.2.1 Parents can demonstrate that the family is permanently relocating from Hong Kong, transfer advice and support is available from Kellett School via the admissions office.

13.2.2 The family is to remain resident in Hong Kong and a student is to continue their education in another Hong Kong school or an overseas school, Kellett School will provide a single Kellett School Standard transfer report.

Additional reports and/or specific additional reports written to individual school formats are chargeable.

- 13.3 All requests for transfer reports must be made via the Admissions Office. Parents should not approach individual teachers in order to provide transfer or scholarship reports. Documents not endorsed by the Admissions Office are not Kellett School Transfer Reports.
- 13.4 Reports are sent directly to the school concerned; copies are not provided to School Placement Agents.
- 13.5 Parents who are to remain resident in Hong Kong wishing to seek overseas boarding places for their children are encouraged to contact the preferred schools directly for advice via the respective school's/schools' Admissions Office.
- 13.6 Invigilation services for overseas schools' entry examinations are provided by The British Council, Hong Kong.

14 APPENDIX ONE: A-LEVEL SUBJECT REQUIREMENTS

Schedule of Subject Requirements at GCSE for admission to an A-level course:

	GCSE Grade ≥	Equivalence if followed UK curriculum but did not take the relevant GCSE: ≥
Art	B = 6	Relevant Portfolio
Biology	7 + 7 in Maths	Not Permitted
Business Studies	B = 6	B = 6 in Maths AND B = 6 in English
Chemistry	7 + 7 in Maths	Not Permitted
Chinese	A = 7	Native Speaker; Ab Initio not permitted
Computer Science	B = 6	A = 7 in Mathematics
Drama	B = 6	A = 7 in English Literature + Audition
Design Technology	B = 6	B = 6 in Maths + Relevant Portfolio
Double Award Science	A = 7/7	A = 7 in Maths + analysis of results from individual science papers
Economics	B = 6	B = 6 in Maths AND A = 7 in English Language
English Literature	B = 6	A = 7 in English Language
French	A = 7	Native Speaker; Ab Initio not permitted
Geography	B = 6	A = 7 in English Language
History/Politics	B = 6	A = 7 in English Language
Mathematics	A = 7	Not Permitted
Further Mathematics	A* = 8+	Not Permitted
Media Studies	B = 6	B = 6 in English
Music	B = 6	A Grade 5 in an instrument + Grade 5 theory + Audition
Physical Education	B = 6	B = 6 in Biology + Relevant Experience + Interview with supporting documentation; and A in the Core and B in the Additional Paper in Combined Science /Trilogy / Double Science.
Physics	A = 7	Not Permitted
Spanish	A = 7	Native Speaker; Ab Initio not permitted
Psychology	A = 7	5 in Maths AND 6 in English Language AND 6 in a Science (preferably Biology)
EPQ – Written	n/a	A = 7 in the relevant subject area.
EPQ - Artefact, Performance and Investigation	n/a
